Town Warrant

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Claremont, in the County of Sullivan in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the lower assembly room and the room above said assembly room, both in the Town Hall in said Town, on Tuesday, the twelfth day of March next, at eight o'clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town Officers for the ensuing year.
2. To elect one Selectman who shall serve for three years.
3. To elect one Assessor who shall serve for three years.
4. To choose one member of the board of three trustees who shall have the custody of all trust funds of the Town, to serve for three years.
5. To elect one Sewer Commissioner who shall serve for three years.
6. To elect one Water Commissioner who shall serve for three years.
7. To vote by ballot upon the following question in the same manner as ballots are cast for the election of town officers:
Shall the town purchase, construct, manage, maintain and own a system of main drains and common sewers substantially in accordance with the plans heretofore approved by the state board of health, and issue therefor not exceeding \$365,000.00 bonds of the town either to the United States or to others payable within twenty years from their date, and apply for and accept such grant or grants as the United States may make for such projects and make such agreements as may be required in connection with such grants?
8. To chose three members of the Board of Trustees of Fiske Free Library to serve for three years, and one member to serve for one year.
9. To see if the Town will choose or appoint a committee of citizens to act as a Committee of Finance, whose duty it shall be to investigate all proposed appropriations, previous to next Town Meeting and report their recommendations at said meeting.

All reservoirs full November 10, 1934.

Our Department is much pleased to submit a report on the Rice Reservoir.

Starting from a forest the last week in August, the trees were cut, stumps pulled, waste material taken from the basin, a cement wall built, using 3,112 barrels of cement, and 20 tons of steel.

The earth fill extends to the top of the cement wall, with about two more feet to fill.

We have the rip rap or stone work on inside of Dam, and grading on outside to finish.

Of the \$50,000.00 raised to do the work, there remains \$11,227.68 to complete the Reservoir.

CHARLES W. EASTER, Superintendent.

REPORT OF LIBRARY TRUSTEES

During the year 1934 we have sent out 80,252 volumes of which 22,384 were from the childrens' room. There has been a drop in adult fiction and in the children's department due largely to the fact that we have not been able to supply the demand for books. These figures do not take into account the number of volumes used here for reference and not taken from the building. There has been a noticeable increase in reference work. More religious books were read and there has been the same interest in books on government and social questions. We have borrowed from the State Library, Manchester, and the College Library at Hanover many books which we were unable to supply ourselves. The State Library is becoming of more and more service to librarians and individuals throughout the State. Through the Library Commission it has been possible for us to have ERA workers for a good part of the year. The Commission gives invaluable help to libraries and should have the wholehearted support of our representatives at Concord.

In looking over the Biennial report we note that our library with a smaller force and appropriation than others of our size is sending out as many and sometimes more books.

To keep the work anywhere near the usual standard means more work for those in charge.

865 books have been added of which 253 were given. This does not include all received from the Book Drive, many of which were put in circulation without accessioning. The total number of books received from the Drive which was sponsored by the Civics Committee of the Womans' Club was 430. Many magazines were given which have been used both for circulation and for scrap books. We take this opportunity to thank them again.

In October the Dramatic Club put on three one-act plays for the benefit of the Library which netted \$40.39. About twenty books were purchased with the money. Here again we wish to express our thanks.

The Monday Reading Club has given us several new books during the year.

We have sent books to the Hospital, The Frances Tolles Home, The County Home, and there have been deposits in several school rooms. A Hospital collection should be very carefully selected and it has been hard to find suitable books.

During Childrens' Book Week we had on display an exhibit of attractive children's books from the Carolyn Stoughton Bookshop supplemented with a few of our own. Lists of recent Children's

books and a Hobby list were also distributed.

Several periodicals have been added this year:

America—given by the Catholic Daughters of America

Living Church—given by Mrs. Roy D. Hunter

Foreign Service—given by American Legion

The National Tribune—given by Veterans of Foreign Wars

New Hampshire Club Woman—given by the Claremont

Womans' Club

The Independent Woman—given by Miss Sarah Gilmore

The Christian Science Monitor—given by Mrs. Lillian

Ladeau

Several people who have given magazines for several years are continuing to do so.

During the year we have had several exhibits which have attracted many people.

1—A Polish exhibit loaned by Mrs. Eric P. Kelley of Hanover

2—An exhibit of free hand posters done by Junior High school pupils under the direction of Miss Mabelle Joyal

3—An Exhibit of dolls, dressed by the Campfire Girls under the direction of Miss Gertrude Morrison

4—The Sistine Madonna done in oil by Miss Laurina Issoire

5—First day covers of the National Park Stamps loaned by Mr. Charles Cornish

The outstanding event of the year was the summer school of the Public Library Commission which held its 14th annual session here from July 23rd to August 4th. About 30 students were enrolled from New Hampshire and Vermont. Sessions were held at the High School with both the public and school libraries available for practice work.

A district meeting held in Ascutney in June was attended by Miss Gilmore, Mrs. Kingsley, and Miss Sanborn. Mrs. Kingsley conducted the round table and Miss Sanborn gave a mending demonstration.

The library has been handicapped this winter by the absence of Mrs. Kingsley who is spending the winter in Florida. We hope she will decide to return to us in the spring.

We should like to make special mention of every gift, but there is space for little more than the names of the givers.

A window box given by Mrs. Benjamin Hawkins of Cornish Flat has been a constant joy.

A photograph of an oil painting of the old Leete place at West Claremont is of historical interest. This was given by Mrs. E. L. Elliott.

Gifts have been received from: American Legion, Mrs. Hira

Beckwith, Mr. Albert Benjamin, Crowell Publishing Co., Miss Mary Bevin, Mrs. E. F. Bristol, Mr. Cortland Butler, Catholic Daughters of America, Claremont Dramatic Club, Claremont Womans' Club, Mrs. Elmer Cole, Miss Daisy Connor, Meriden, N. H., Miss Mildred Converse, Mrs. Herbert Cole, Mr. Norman Densmore, Miss Eliza Dole, Mrs. E. L. Elliott, Mrs. Charles Evans, Mr. John S. Farwell, Mrs. Alvin Fisk, Andrew Foisy, Mrs. G. H. Harris, Miss Gertrude Hart, Mrs. Benjamin Hawkins, Mrs. Mary Hunter, Mrs. Roy D. Hunter, Miss Mary Jones, Mr. A. B. Kellogg, Miss Clara Knights, Mrs. Lillian Ladeau, Mrs. Charlotte Marcotte, Mr. George Minard, Monday Reading Club, Mr. Parker Moore, Mr. and Mrs. Raymond Nichols, Mrs. Douglas Pease, Mrs. George Quimby, Miss Dorothy Richards, Mr. Henry S. Richardson, Mrs. E. J. Rossiter, Miss Inez Rumrill, Miss Josephine Sargent, Windsor, Vt., Mrs. Bernadette Simoneau, Miss Lillian Tilton, Mr. J. D. Upham, Veterans of Foreign Wars, Mrs. Bessie Whipple, Miss Beatrice Whitaker, Mrs. F. C. Wood, Miss Lottie Wotton, Mrs. Charles Wyman.

We feel that the library is an important factor in the community and especially at a time when men and women are open to the influence of the library there is more need of adequate support so that it may be able to carry on at maximum efficiency.

We wish to thank the local papers for giving the weekly issues and for printing library lists.

We wish also to thank the Librarian and her assistants who have carried on cheerfully under increased work.

CHIEF ENGINEER'S REPORT

To the Board of Selectmen:

The number of calls received by the Central Fire Station during the twelve months ending January 31, 1935, set a new high with a total of 351. The number of bell alarms, 14, was somewhat less than last year, but still calls totaling 337, twenty more than during the previous twelve months, served to increase the figure to a new all-time record. Many of these still calls were for incipient blazes which save for prompt notification and equally prompt response might easily have developed into serious conflagrations.

The 14 bell alarms for the year were as follows:

March 24—Box 47, 2:55 a. m., Mrs. Jerry Ricci house, Freedom street.

March 31—Box 29, 8:50 a. m., A. F. Neal house, Pleasant street.

May 20—Box 51, 4:30 p. m., Herman Holt house, Broad street.

May 25—Box 23, 6:45 a. m., Mrs. William Cleary house, River street.

July 2—Box 45, 11:40 a. m., Oren Howard house, North street.

August 13—Box 27, 7:50 p. m., truck fire, Chestnut street.

August 20—Box 8, 2:25 p. m., John Kuchtey house, Thrasher Road.

October 18—Box 8, 10:55 a. m., Emma Audette house, West Claremont.

November 2—Box 22, 5:25 p. m., Claremont Waste Company storehouse, Spring street.

November 12—Box 14, 4:00 p. m., Beaudry block, North street.

December 26—Box 22, 5:15 p. m., chimney fire, A. Martin block, Main street.

January 1—Box 57, 10:10 a. m., W. J. Powers house, Washington street.

January 1—Box 22, 7:18 p. m., wood fire, Esersky block, Spring street.

January 24—Box 47, 6:50 a. m., chimney fire, Reed house, North street.

The report of all brush and woodland fires will be found under the Forest Fire Warden's report.

HYDRANTS

No new hydrants have been added to the town system during the past twelve months. Two hydrants, however, have been replaced, one at the corner of Broad and Tremont streets and one at the corner of Main and Sullivan streets. In each instance six-inch pipe has been used instead of the former four-inch size, providing greater efficiency and more adequate protection.

FIRE ALARM SYSTEM

No new fire alarm boxes have been installed during the past year. There has been installed, however, a new rectifier and battery system, and it has been found advisable in the interests of economy and efficiency to install electric supervision equipment to make its operation automatic and eliminate all danger of disrupted service, due to accident or other emergency. Such equipment can be purchased for a moderate sum and I believe it necessary to maintain the efficiency of the department.

RECOMMENDATIONS

Aside from the above, I have no recommendations to make as to purchase of additional equipment or apparatus. The community has been fortunate during the past twelve months in experiencing a fire loss well below the average, a record in which the department and the townspeople may well take pride. Some splendid work along educational lines has been carried on among the children by school authorities and teachers. Citizens as a whole have shown excellent cooperation both in reporting minor blazes promptly and in reducing fire hazards in homes and business establishments, while the telephone company and its employees have, as always, rendered invaluable aid. I am very grateful for this cooperation and for the fine work and spirit of loyalty which has at all times marked the conduct of department members.

C. E. SEARS, Chief Engineer.

FIRE WARDEN'S REPORT

For the Year 1934

Claremont, N. H., Feb. 1, 1935

To the Selectmen and Citizens of Claremont:

I would respectfully report, there were sixteen calls for Forest Fires during the past year, 1934, none of which were serious. The expense of this department, \$147.15.

I wish to thank all those who assisted me and the general public, for their cooperation.

Respectfully submitted,

P. J. SHERIDAN,
Forest Fire Warden.

POLICE DEPARTMENT

To the Police Commissioners and Citizens of Claremont:

It is with pleasure that I submit my second Annual Report.

From February 1, 1934 to January 31, 1935 there were 389 arrests classified as follows:

Aggravated assault	2
Burglary	6
Larceny (except automobiles)	11
Auto Theft	4
Other Assaults	4
Weapons—carrying—possession	1
Sex offenses	5
Offenses against the family	1
Liquor laws	13
Drunkenness	204
Disorderly conduct	14
Vagrancy	1
Violations of road and driving laws	56
Driving while intoxicated	23
Parking violations	2
Traffic and motor vehicle laws	21
All other offenses	19
Juveniles	2
	<hr/>
	389

Arrests disposed of as follows:

Paid	134
Given time to pay	53
Committed to House of Correction	99
Cases Filed	72
Arrested for out of town officers	15
Bound over to Superior Court	8
Appealed to Superior Court	6
Juveniles	2
	<hr/>
	389

Persons given lodging	573
Doors left unlocked	135
Accidents reported	83
People killed by automobile accidents	4
Persons injured by automobile accidents	41
Persons carried to hospital on stretcher	13
Calls answered with emergency car for nine months period	889

RECOMMENDATIONS

I would recommend this year that the Town purchase a light car or motorcycle, preferably a car as it could be used for the twelve months of the year, to patrol the roads in our Town. Automobile accidents this year resulted in 41 persons injured and 4 persons killed. Some attempt should be made to reduce the number of accidents. It would be impossible to use our present car to patrol the roads and at the same time have it available at the station to answer emergency calls.

Also, that two full time police officers be added to the force. One man to operate the patrol car or motorcycle, and the other to be on day duty in the Lower Village section of the Town. A police officer is needed very much in this part of Claremont.

REMARKS

Several improvements have been made this past year in the Police Dept. Two full time officers were added to the force, an Emergency car was purchased, all of the cell doors were strengthened, a new system of keeping records, a hold-up alarm installed on the fire alarm circuit, an insurance fund started for the Officers, and with the Fire Dept. a special fund for needy children.

I wish at this time to thank all of the Officers for the cooperation they have given me this past year, and to the public in general for the interest they are showing in the improvement of the Police Dept.

It is indeed an inspiration to the Officers and myself to feel that the public is interested in our Department, and the growing interest that people are having in the improvement of local police work.

Respectfully submitted,

WILLIAM C. NOBBS,
Chief of Police.

HEALTH OFFICER'S REPORT

To the Honorable Board of Selectmen:

From year to year you have been presented with statements of the improvement in both the morbidity and mortality record from communicable diseases, brought about through the mediums of preventive medicine and public health measures.

The victories of medicine and community protection against some diseases throughout the country is well known; typhoid fever has been almost entirely eliminated; diphtheria and scarlet fever are now considered under control; the infant death rate has been cut in half in the last quarter century; the mortality rate in tuberculosis has shown a remarkable decline and the improvement in handling this disease is a wonderful tribute to those who have labored in this field of medicine, to the health organizations in helping educate the public in the treatment and care of this disease. It is a fact, however, that notwithstanding the great advances in medicine and public health protection, the American people are not as healthy as they have a right to be. Many of them are suffering from disease and many die annually from causes that are preventable through the use of existing scientific knowledge and the application of common social sense.

The future program should be better health education for the people; better health service; better contact with the medical profession, so there will be more thorough understanding by the public of the great importance of this health work.

The following is the report of the activities of the health department of Claremont for the year just ended.

Except for an epidemic of measles during the early part of the year, Claremont has been remarkably free from contagious diseases, and has established a new low record, both in the morbidity and mortality rates in the list of so-called reportable diseases.

Communicable diseases as reported total 503 cases, classified as follows:

	No. of Cases	No. of Deaths
Measles	427	0
Mumps	1	0
Pneumonia	20	11
Poliomyelitis	1	0
Scarlet fever	11	0
Tuberculosis	14	3
Typhoid fever	1	0
Venereal diseases	14	0
Whooping cough	14	0

TUBERCULOSIS

N. H. Tuberculosis Association Clinic & Nursing Service:

Statistical report of the work in Claremont, Jan. 1, 1934 to Jan. 1, 1935.

No. of clinics held during the year	8
No. of persons examined at clinics	281
No. new persons examined at clinics	121
No. new positive cases found	14
No. new suspicious cases found	23
No. of families under supervision	185
No. of positive cases under supervision	150
No. of suspicious cases under supervision	96
No. of patients cared for at sanatoria	9

Besides the regular clinic service conducted by Dr. Robert Kerr of the N. H. Tuberculosis Ass'n., a schedule of follow up and instructive service is maintained by the staff nurse, more frequent home visits being required for active cases, and less frequent for suspicious and arrested cases.

Despite approximately 28 per cent reduction in income from the Christmas Seal Sale, the sole support of the N. H. Tuberculosis Association, the work has been carried on through reduction in compensation and stringent economy.

The N. H. Tuberculosis Ass'n. appreciates and thanks the people of Claremont for their loyal support.

CLUFFIE M. GOBIE, R. N.

Field Nurse, Sullivan County.

MATERNITY

Division of Maternity, Infant Welfare and Hygiene of the State Board of Health, under the local supervision of Miss Elizabeth H. Carriel, State Public Health Nurse.

This division, in addition to the regular routine work, has under the provision of Child Recovery Program in N. H. examined and fitted with glasses, five children of pre-school age; also twelve pre-school children were cared for at the Claremont General hospital for tonilectomy operations.

This division has plans under way to conduct a series of dental clinics in Claremont, for the benefit of those in need of dental service.

DIPHTHERIA

The campaign against diphtheria carried on here since 1924, has been successful, as proven by the steady decline from year to year in the number of cases and in the death rate, and that for the last three years not a case of diphtheria has been reported in Claremont, a record that we believe cannot be equaled in any town of this size in the State or even in New England. Free immunization treatments have been given to children of pre-school age, as well as to school children, after consent had been obtained from the parents. Most parents have come to realize the importance of these treatments in safeguarding the lives of their children, and it is by their cooperation during these past ten years, that has made it possible for all of us to be living today in a town from which diphtheria has been practically eliminated.

The toxoid, or toxin-antitoxin treatments are simple and harmless and quickly given. It takes a few months for protection to develop, then you can be certain that your children are safe and need never fear diphtheria.

SANITARY INSPECTION

The routine inspection of markets, grocery stores, bakeries, hotels, restaurants, fruit and confectionery stores was carried on as usual. The majority of these establishments are careful in observing the sanitary regulations governing the display and sale of food products so as to conform with requirements of the Federal and State Pure Food Laws.

Fifteen samples of water, from private wells and springs and including the Grannis public water system at West Claremont,

have been sent to the State Laboratory for a clinical analysis during the year.

Unsanitary sewage disposal, as in past years, has been the source of numerous complaints, some of which are impossible to adjust, owing to the fact that in some localities conditions are such that a sanitary disposal of sewage is not possible there. The worst as well as the most annoying of this class of nuisance, is the result of connecting sewer pipes into the street drains as has been done to some extent in certain sections. These street drains are designed to take surface water only, are built with open manholes at frequent intervals along a street, making them absolutely unfit for carrying any sewage, and to use them for this purpose constitutes the most unsanitary practice conceivable.

These conditions, bad as they are, are bound to continue, a nuisance and a menace to health, until a public system of sewage disposal is adopted.

I desire at this time to extend thanks to the physicians of Claremont and to the nurses connected with the several health units here who have given assistance and cooperation in carrying on the local health work.

Respectfully submitted,

WILLIAM P. PRESCOTT,

Health Officer.

AMERICAN RED CROSS

During 1934 the total number of home visits was 3742, and may be classified as follows:

Medical	1,002
Surgical	593
Maternity	1,349
Deliveries	3
Child Welfare	644
Communicable	13
Tuberculosis	5
Business	133
	<hr style="width: 10%; margin: 0 auto;"/> 3,742

The visits were paid for as follows:

Metropolitan Life Insurance Co.	914
John Hancock Life Insurance Co.	267
Paid and part paid	731
Unpaid visits	1,830
	<hr style="width: 10%; margin: 0 auto;"/> 3,742

The fifteenth class in Home Hygiene was begun in December. Meetings are held weekly in the afternoon.

151 Birth Certificates were delivered from the Town Clerk's Office to the respective babies' homes.

303 babies were weighed and advised at the Red Cross Office during Saturday afternoons.

Office hours are held daily from 1 to 2 p. m.

EDITH SLOAN, R. N.

REPORT OF MILK INSPECTOR

For the Year Ending February 1, 1935

Milk inspection has been carried on this past year about the same as usual. About three hundred visits and inspections have been made to dairy farms and stores. No cattle have been found tubercular supplying milk to the Claremont district. Some cattle have been found infected with mastitis and removed. A few cattle have reacted to the Bang's disease and have been removed.

We have two pasteurization plants and two "Grade A" producers and about eighty other licenses have been issued to farmers and stores.

Samples of milk have been taken and sent to Concord with very pleasing results.

There have been no milk borne diseases in Claremont traced to our supply this year. That is a fine tribute to the milk producers. It shows that they are trying to give the people a clean, healthy milk and are succeeding in their efforts.

Let us all work together, the public, the dairymen and inspector for a perfect supply for Claremont. I am sure the producers and inspector will be very pleased, if anyone finds anything wrong with the milk if they will notify us, and that every effort will be made to correct the fault. No one person can get results alone, but all together we may reach near perfection.

Respectfully submitted,

L. R. HAUBRICH, V. M. D.

REPORT OF BUILDING INSPECTOR

For the Year Ending December 31, 1934

To the Honorable Board of Selectmen:

There were 6 new houses, 2 poultry houses, 12 garages and 1 filling station built during the past year. The other building done has been remodeling and repairing. There were 173 permits issued.

The estimated cost was \$56,713.00.

Respectfully submitted,

W. E. ROUNDY, Building Inspector.
